

## Brand promoters

DS Smith Speciality Packaging at Belper is a market leader in die-cut, high quality flexo-printed cartons, able to supply up to 8 colours on fine fluted corrugated.

Founded over 40 years ago to service the potteries, Belper has rapidly developed and grown to become one of the key sources for Shelf/Retail Ready Packaging to 'blue chip' brand owners. Our knowledge and experience has allowed customers in this sector to rationalise their packaging and benefit from our innovation in design, print, die-cutting and multipoint gluing.

At the forefront of corrugating technology, we provide our customers with a range of fluting profiles and substrates able to protect the products whilst carrying a strong brand message to the consumer.

### Our talent

At the heart of every successful business, are the people employed within it. We take pride in being an Investor In People and offer an 'Education for All' policy to our employees. We know that skilled, motivated people are the best way to ensure customer satisfaction. We offer:

- Dedicated internal/external sales contacts
- Technical support and advice
- Vendor Managed Inventory
- World-class manufacturing
- Ink and repro experts on site
- Innovative design studio

### Our quality, your assurance

- BRC level 'B' for food safety
- ISO 9002 for quality consistency
- ISO 14000 for environmental responsibility
- Shop floor data capture for production efficiency
- Managed waste streams
- QA laboratory to support development projects
