

## For retail packaging, think Lockerbie

DS Smith Speciality Packaging in Lockerbie is one of the UK's leading specialists in litho-laminated corrugated cartons. Established over 30 years ago, our Lockerbie plant has focused on print and conversion of litho-lam and built up a diverse national customer portfolio. We have:

- A flexible and experienced workforce
- Continuous investment in state-of-the-art machinery
- BSI Accreditation: ISO 9001:2000 and ISO 14001
- BRC/IOP Grade A Hygiene Standard
- Expertise in Retail Ready Packaging options

### Product range

Our diverse customer base demonstrates our ability to offer packaging solutions to all areas of the market from high impact Retail Ready Packaging to transit primary packs. Options include:

- Flute profiles N, E, F, B and double-wall FB flute
- Recycled coated liners
- Metallised board
- Multi-point gluing
- Stock and serve facilities

### Print capability

Litho's superior print finish is created with fine screen and high resolution images to deliver the very best product representation, with photographic quality images and superb tonal depth. We offer:

- The ability to print 7 colours and apply 2 varnishes in a single pass
- Multiple varnish options from high gloss UV to matt finishes
- Metallic and pearlescent inks
- The ability to provide higher quality images compared to flexo printing

### Design and innovation

At the high quality end of the business, the successful development of corrugated packaging demands special skills and knowledge. At Lockerbie we have:

- An award-winning and highly innovative team of designers
- Structural and graphic design facilities that are second to none
- The ability to generate full colour samples
- Experience, capability and full understanding of Retail Ready Packaging solutions
