

Packaging problem solvers

Our factory at Rawcliffe Bridge in East Yorkshire specialises in the design and manufacture of corrugated packaging and supply chain solutions including regular and heavy-duty corrugated cases.

We are strategically focused on high value markets, including:

- Automotive
- Electronics
- Pharmaceuticals
- Bulk packaging for food and drink
- Merchandising units for major retailers

Our services include:

- Quick lead times for repeat orders (delivery within 3 days of order)
- Stockholding when required
- A comprehensive fulfilment area – assembling unit packaging, kitting of parts and line-side deliveries

Other specialist services are available and we are skilled in using techniques such as JIT, KANBAN, SEQUENCED, MILK ROUND and full VMI packages.

High quality standards

- ISO 9001-2000
- BS EN ISO 14001/2004
- BRC accreditation for the food industry
- Investors in People
- We also endorse TPM and have a 5S culture

High environmental standards

Rawcliffe products help our customers achieve high environmental standards.

We use 600 tonnes of paper every week of which 86% is derived from recovered (recycled) papers. In fact, all the materials we use are 100% recyclable.

We blend our own inks, recover and recycle 100% of our trade effluent and run a variety of environmental projects with local educational and wildlife organisations.

Design

- On-site design studio and laboratory
- Unique box performance software
- 3D graphic support using CAD/CAM
- Rapid response sampling service via Data Tech cutting table
- Experienced and qualified design team with technical sales support

DS Smith Packaging

Product portfolio – corrugated board

We produce our own corrugated board in E, B and C flutes with BC, EB and EC combinations. Masterflute and Sovereign are our latest board innovations. Masterflute is a special C-flute with two-ply fluting for added strength. Sovereign combines E flute with Masterflute for exceptional strength.

Product portfolio – conversion

- Retail ready packaging – including Loadmaster and Storemaster
- Material handling and returnable packaging – including Transmaster
- Large format cases for bulk packaging
- Corrugated engineering and composites
- Bag-in-box solutions
- Regular cases and die-cuts

Key machines

- Large format folder gluers – up to 4 colours
- Rotary die-cutters – up to 4 colours
- Flat bed die-cutter
- Tanabe multi-point gluer
- Göpfert box maker – up to 5.4m
- Rapidex and Vagelli 2 piece stitchers
- Simca high speed stitcher
- Corrugator pre-print

DS Smith Speciality Packaging Rawcliffe is part of DS Smith Packaging, the UK's foremost corrugated packaging manufacturer. We have the widest range of products compared to our competitors, including high volume transit cases as well as speciality, decorative and heavy-duty packaging. Throughout the country our vibrant network of sheet feeding and sheet plants service the diverse needs of thousands of customers. We also provide a range of advisory services designed to extract more value from the packaging supply chain. Our international alliances allow us to offer a seamless service worldwide.

DS Smith Packaging is part of DS Smith Plc, a £1.6 bn group focused on packaging and paper.
