

World-class expertise in the FMCG sector

Operating from two manufacturing locations under a single management team, the South West Conventional business offers world-class manufacturing excellence from its purpose-built sites in Devizes Wiltshire, and Portbury Bristol.

Customer service, quality and innovation are key to the success of the business and central to the 'can do' culture throughout the operation.

Service Excellence

Strategically geared to focus on the FMCG market sector, we have invested in planning and manufacturing systems to meet the demands of our customer base and retailer expectations, with:

- 7 day delivery and 24 hour manufacturing
- Flexible capacity across 2 manufacturing sites
- Long term customer partnerships and supply agreements
- JIT manufacturing and short lead times
- Technical support and machine system expertise
- Experienced customer service teams focused on delivering customer delight

Product Quality

We design and manufacture packaging to ensure optimum performance on our customers' packing lines and through into distribution, with an additional focus on Retail Ready opening and point-of-purchase print and branding, with:

- TPM philosophy and best practice approach
- Direct contact quality programmes
- State-of-the-art CAD / CAM systems
- On site graphics origination and creative design
- Laboratory testing facilities
- Packaging Performance Database and predictive software
- Packaging Line Audits

Business Accreditations

- BRC/IOP
- ISO 9001:2000
- ISO 14001

Innovation

- Proven expertise in Retail Ready Packaging solutions
- Supply chain audits and initiatives
- Value engineering projects – 'fit for purpose'
- Innovation and cost release, through dedicated Design and Project Managers
- Latest advances in rule technology for Retail Ready Packaging
